Notice of Community Information Sessions

The Nunavut Impact Review Board will be hosting

Community Information Sessions in **Rankin Inlet**

to discuss NIRB's ongoing Monitoring Program for the

Meliadine Gold Mine Project

July 29, 2024

Presentation at 7:00 pm

Katimavik Suites Conference Centre

To update the community on monitoring of Meliadine Gold Mine Project

Come talk to NIRB staff, enjoy refreshments and hopefully win a door prize!

Simultaneous Inuktitut interpretation will be provided
