Dear Ms. Briscoe:

I am in receipt of your letter dated March 20, 2002 sent to the attention of Mr. Godfrey McDonald, our Vice President of Metallurgy and Environment. We are currently working on our response to the questions that you raised in your letter and we should be in a position to respond to you formally either later this week or very early next week.

In the meantime, though, we have a request of you. Could you please ensure that all future correspondence having to do with Nanisivik Mine in general and its closure plans in particular are addressed to my attention. This will ensure that any correspondence received is circulated amongst the appropriate people within our organization and that matters are dealt with as efficiently and as expeditiously as possible.

Just so you have the information for your records, I have offices both at Nanisivik and in Toronto and can be reached at the following coordinates.
