---

The Nunavut Impact Review Board received an application for a land use and quarry permit from DIAND and a water use and waste disposal permit from NWB associated with the Longstaff Bluff DEW Line Site Clean-up. Please use the NIRB file no. **03DN052**, and the contact person listed below, in all future correspondence regarding this application.

The application documents are available through the internet on the NIRB ftp site at <ftp://ftp.nirb.yk.com> in the folder "03DN052".

Please assess the project proposal for the potential effects on the ecosystemic and socio-economic environments, from your knowledge of the area or your field of expertise.

Please forward your comments and recommendations to NIRB by **Wednesday, April 16, 2003**.

A comment form has been included with the package.

If you have any questions regarding the application, please do not hesitate to contact our office. Your input is greatly appreciated.

Yours truly,

Gladys Joudrey
