Sanctuary (Canadian Arctic Holidays)**

Due Date: May 27, 2009

Dear Ms. Payette:

At your request, the Department of Culture and Heritage, Government of Nunavut, has reviewed the above-noted application. Our recommendations are limited to CLEY's mandate and follow.

The proposed activities do not directly threaten archaeological resources, however there are archaeological sites within the land use are and we would request that the tour operator provide the attached brochure to his clients.

Sincerely,

Douglas Stenton
Director, Culture and Heritage
Department of Culture, Language, Elders and Youth
