**Re: Land Use Application NIRB 09YN41 Peregrine Diamonds Ltd. Chidliak Property 2009 Baseline Environmental Studies (Steve Moore, EBA Engineering Consultants Ltd)**

Due Date: June 2, 2009

Dear Ms. Payette:

At your request, the Department of Culture and Heritage, Government of Nunavut, has reviewed the above-noted application. Our recommendations are limited to CLEY's mandate and follow.

Peregrine Dimonds Inc has hired and archaeological consultant, Callum Thomson so we have no concerns. However all other researchers collecting baseline data should be away of the terms and conditions.

The attached conditions specify plans and methods of site protection and restoration to be followed by the permittee if an archaeological site is encountered or disturbed in the course of the land use activity.

Sincerely,

Douglas Stenton  
Director, Culture and Heritage  
Department of Culture, Language, Elders and Youth

Encl.
