Dear Mr. Kavanagh:

**Re: Extension request for the Aura Silver Resources Land Use Permit AANDC
File: N2010C0008**

Thank you for forwarding the above request to the Nunavut Planning Commission (the NPC).

Project proposal AANDC File: N2010C0008 received a positive conformity determination from the NPC as part of the previously submitted application. This determination, along with the terms that were agreed to by the proponent, is attached for your reference.

The NPC has reviewed the extension request and has determined that it does not change the scope of the originally submitted project proposal to an extent that would require an additional conformity review by the NPC.

Attached is a copy of the terms that were agreed to as part of the previous application. It remains the responsibility of the authorising agency to ensure that the terms are implemented.
