Dear Elizabeth Copland,

Re: Land Use Application N2015C0006
Type of Operation: Mining (Exploration)
Location: Shultz Lake, Kivalliq, NU, NTS 66A

Pursuant to Article 12.3.5 of the Nunavut Land Claim Agreement, I am forwarding the above Land Use Application for screening purposes.

All future correspondence produced by your office should be copied to this office and should also refer to the above application number.

Please be advised that this office has invoked Section 25(1)(b) of the Territorial Land Use Regulations on this application to allow you further time to review the application. Our office has up to 42 days from the date of receipt of the application to issue the permit.

The permit must be issued on or before June 15th, 2015, therefore we require your comments and recommendations by June 8th, 2015 along with your screening decision. If you find that you cannot complete your assessment by the 42nd day, then you must advise us to invoke Section 25(1)(c) of the Territorial Land Use Regulations which will provide you additional time as outlined in Articles 12.4.5(b) or (c). Please be advised that requests for 25(1)(c) must be accompanied with environmental reasons on why the extra time is required as well as approximate dates for completion of the screening.

Sincerely,

Nicholas Kavanagh
