Further, Section 12.7.3 (a) of the NLCA states:

Without limiting the generality of Section 12.7.2, the monitoring program set up pursuant to that section may include:

Aura Silver is advised to refer to the terms and conditions issued within the Screening Decision Report (attached) regarding the submission of your Annual Report. The NIRB is requesting this information be reported to the GN and copied to the NIRB by **June 5, 2015**.
