RE: Request for Extension to Land Use Permit #N2011J0032

Type of Operation: Campsite for Exploration Activities

Location: Melville Peninsula, Baffin, NU, NTS 47B

Good Afternoon Lee Ann,

On Behalf of our client West Melville Metals Inc., we would like to request an extension to Land Use Permit #N2011J0032. The current permit expiry date is February 1, 2015 and we are requesting an extension until February 1, 2016. We are requesting the extension to allow for time to either complete the permitted exploration program or to remove the camp and reclaim the site.

Attached is a brief non-technical summary of the activities performed to date under the current Land Use permit and a list of camp facilities and equipment remaining on site.

If you require any additional information please feel free to contact myself or Andrew Turner (project manager) at any time.

Thank you for your consideration.
