Hello Cassel, the KIA asks for a one-week extension from **June 26** to **July 4, 2024**. We have some scheduling problems with our internal staff at KIA in meeting the June 26th deadline.

Please let me know if this can be arranged. P.S. I had made a similar request previously for the review of the Hope Bay 2023 Annual Report to NIRB and have not heard a response from NIRB on this.

Thank you.
