Ublaakkut Scott,

Happy New Year to you as well!

Koana for your update on the project and there isn't anything else that the NIRB would be requiring from MMG as an update and we will place this on file.

Have a great new year.
Kel

Subject: Izok Corridor Project update

Hi Kelli,

Happy New Year! I hope all is well. I wanted to check in with you to determine if you need anything further in terms of a project update from MMG following our meeting in October. There has been no change in the status of the Izok Corridor Project (ICP) since our meeting. We will plan to provide the NIRB with another update on ICP status by December 2018.

Thanks and regards,
Scott
