Re: Northwest Granular Deposit NIRB Part 1 Form

Dear Ms. Lear:

Please see enclosed the City of Iqaluit's Part 1 Form for the Construction of the Road to the Northwest Granular Deposit and the Development of the Northwest Granular Deposit. The Inuktitut version is currently being translated and will be sent as soon as it is available. The City is requesting for a timely review of this project as construction is required to start in May 2015 to ensure that the City's granular needs are met for the summer 2015.

Sincerely,

John Mabberi-Mudonyi
Acting Chief Administrative Officer
City of Iqaluit
