des Ressources naturelles

Ottawa, Canada K1A 0E4

SEP 12 2014

Ms. Elizabeth Copland  
Chairperson  
Nunavut Impact Review Board  
29 Mitik Street  
P.O. Box 1360  
Cambridge Bay, Nunavut X0B 0C0

Dear Ms. Copland:

Thank you for your letter of August 20, 2014, regarding the screening decision of the Nunavut Impact Review Board for Kudlik Construction's "Repulse Bay-Explosive Storage" project.

On August 25, 2014, after reviewing the Screening Decision Report for the project, Natural Resources Canada issued an explosives magazine licence to Kudlik Construction. Natural Resources Canada recommended to the proponent that the terms and conditions made by the Nunavut Impact Review Board be respected.

I would like to thank the Nunavut Impact Review Board for its diligence in reviewing this project proposal.

Again, thank you for writing.

Sincerely,

The Honourable Greg Rickford, P.C., M.P.  
Minister of Natural Resources and Minister for the  
Federal Economic Development Initiative for  
Northern Ontario
