Re: Notice of Part 4 Screening for Arctic Eider Society's "East Hudson Bay Network Research Initiative on Regional Metal Accumulation in the Marine Food Web" project proposal

Ms. Hizaka,

On April 24, 2015 the Nunavut Impact Review Board (NIRB) invited parties to comment on the Part 4 Screening for Arctic Eider Society's "East Hudson Bay Network Research Initiative on Regional Metal Accumulation in the Marine Food Web" project proposal. Aboriginal Affairs and Northern Development Canada (AANDC) has reviewed the project proposal and has no comments to offer at this time pertaining to the NIRB's request.

AANDC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Arctic Eider Society throughout the regulatory process related to this project. Should you have any questions, please contact Laura Harris at (867) 975-4567 or by e-mail at laura.harris@aandc-aadnc.gc.ca.

Sincerely,
