**Re: Notice of Screening for Environment and Climate Change Canada's "Marine Habitat use of Thick-billed Murres" project proposal**

Dear Solomon Amuno,

On March 4, 2016 the Nunavut Impact Review Board (NIRB) invited parties to comment on Environment and Climate Change Canada's (ECCC) "Marine Habitat use of Thick-billed Murres" project proposal. Indigenous and Northern Affairs Canada (INAC) has reviewed the project proposal and has no comments to offer at this time pertaining to the NIRB's request.

INAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and ECCC throughout the regulatory process related to this project. Should you have any questions, please contact Andrea Markey at (867) 975-4554 or by e-mail at [Andrea.Markey@aandc-aadnc.gc.ca](mailto:Andrea.Markey@aandc-aadnc.gc.ca).

Sincerely,

[Original Signed by]
