Hi Megan,

Thanks for the update. If you've entered all of the English information, are you able to submit the application for the NIRB to start reviewing the submission. The NIRB's admin can release the application back to you when the translations are ready for uploading.

Thanks,
Kristina

Hi Kristina,

I spoke with Kelli on Tuesday. I am expecting to have the translation back early next week to complete the submission.

Regards,

Megan

Hi Megan,

I believe a colleague of mine was speaking with you over the past couple of weeks regarding the "Hamlet of Rankin Inlet Type 'A' Water Licence: Amendment 2 Application". I would like to check in on your progress to complete the NIRB's EMS application submission requirements. Let me know if you have any questions.

Thanks,
Kristina Benoit
