**Subject:** NIRB 13UN037: Suspended Assessment and Request for Notification of Intended Re-Engagement

Dear Megan Lusty;

This email is a follow up to the Suspension of Assessment of Activities issued by the Nunavut Impact Review Board (NIRB or Board) dated, September 14, 2016 for the Government of Nunavut-Community and Government Services' "Hamlet of Rankin Inlet Type 'A' Water Licence: Amendment 2 Application" project proposal (NIRB: 13UN037; NPC: 148311; NWB: 3AM-GRA1624).

The NIRB requests that Government of Nunavut-Community and Government Services' provide an update to confirm whether the company expects to re-engage the assessment process for the " Hamlet of Rankin Inlet Type 'A' Water Licence: Amendment 2 Application" project proposal and if so, when can the NIRB expect the material be submitted?

If you have any questions or require clarification on the NIRB Process, please contact Jaida Ohokannoak, Manager, Technical Administration, directly at (867) 983-4609 or by email at [johokannoak@nirb.ca](mailto:johokannoak@nirb.ca).

Best regards,

Natasha Lear  
Environmental Administrator
