Re: Notice of Screening for McGill University's "An Investigation of the Sensitivity of High Arctic Permafrost to Climate Change" project proposal

Dear Mr. St. Pierre,

On September 1, 2016, the Nunavut Impact Review Board (NIRB) invited parties to comment on McGill University's "An Investigation of the Sensitivity of High Arctic Permafrost to Climate Change" project proposal. Indigenous and Northern Affairs Canada (INAC) has reviewed the project proposal and related documents, and has no comments or additional terms and conditions to offer at this time pertaining to the NIRB's request.

INAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Proponent throughout any further review phases related to this project. Should you have any questions, please contact Norman M. Scully at (867) 975-4741 or by e-mail at norman.scully@aandc-aadnc.gc.ca.

Sincerely,
