**Re: Request for Comments on the 2017 Annual Monitoring Report for the  
Baffinland Iron Mines Mary River Project**

Dear Mr. Ammuno,

Thank you for your letter dated April 6, 2018 requesting comments from federal departments regarding the 2017 Annual Monitoring Report for Baffinland Iron Mines Mary River Project. I am responding on behalf of the federal departments including Indigenous and Northern Affairs, Fisheries and Oceans, Environment and Climate Change, Natural Resources, Transport and Parks Canada.

The federal departments have reviewed the 2017 Annual Monitoring report and have for your consideration, their comments in attachments 1-3. Transport Canada has confirmed they do not have comments to provide as compliance monitoring activities are anticipated in 2018.

A contact list from federal departments for this project is also attached (Attachment 4).

We look forward to participating in further stages of the review of this proposed project.

Sincerely,

Teresa Joudrie
