Subject: NIRB 17UN006: Extension Request to provide response to address comments

Dear Parties;

Please see the attached correspondence received by the Nunavut Impact Review Board (NIRB or Board) on March 2, 2017 from the Government of Nunavut (GN) requesting an extension to respond to the comments for its "Iqaluit Airport - Approach Lighting Replacement" project proposal (NIRB: 17UN006; NPC: 148414). The NIRB finds this request reasonable, and looks forward to receiving the response to comments from the GN by April 21, 2017.

Best regards,

Natasha Lear
Environmental Administrator
