Subject: NIRB 125089 / 17UN025: Notice of Screening and Comment Request for TC's "Former Iqaluit Metal Dump Remediation" Project Proposal

Dear Jackie Barker:

Please see the attached correspondence from the Nunavut Impact Review Board (NIRB or Board) regarding Transport Canada's (TC) "Former Iqaluit Metal Dump Remediation" project proposal.

NIRB File No.: 17UN025
Project Name: Former Iqaluit Metal Dump Remediation
Project Proponent: Transport Canada (TC)
Project Type: Other
Location: Qikiqtani Region
Comments Requested by: April 11, 2017

The NIRB is copying parties potentially affected by this project and we invite interested persons to comment directly to the NIRB regarding:

- ♣ Whether the project proposal is likely to arouse significant public concern; and if so, why;
- ♣ Whether the project proposal is likely to cause significant adverse eco-systemic or socio-economic effects; and if so, why;
- ♣ Whether the project proposal is likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities; if so, why;
- ♣ Whether the project proposal is of a type where the potential adverse effects are highly predictable and mitigable with known technology, (please provide any recommended mitigation measures); and
- ♣ Any matter of importance to the Party related to the project proposal.

You can submit comments to the NIRB by our on line public registry at www.nirb.ca or via e-mail at info@nirb.ca or via fax to 867-983-2594.

All documents received and pertaining to this project proposal can be obtained from the NIRB's online public registry at www.nirb.ca by using any of the following search criteria:

- ♣ Project Name: Former Iqaluit Metal Dump Remediation
- ♣ NIRB File No.: 17UN025
- ♣ Application No.: 125089

The NIRB has attached a Public Notice of Screening in English, French and Inuktitut for interested parties and Municipalities to post on local bulletin boards within your community.

If you have any questions or concerns, feel free to contact Kofi Boa-Antwi, Technical Advisor II, directly at (867) 983-4616 or kboaantwi@nirb.ca.

Best regards,

Natasha Lear
