Re: Screening Decision for Nunavut Excavating 2007 Inc.'s "Cambridge Bay Material Extraction and Quarrying" Project Proposal, Kitikmeot Region

Dear Mr. Joe Savikataaq:

On May 17, 2017 the Nunavut Impact Review Board (NIRB or Board) received a referral to screen Nunavut Excavating 2007 Inc. (Nunavut Excavating)'s "Cambridge Bay Material Extraction and Quarrying" project proposal from the Nunavut Planning Commission (NPC or Commission), which noted that the project proposal is outside the area of an applicable regional land use plan.

Pursuant to Article 12, Sections 12.4.1 and 12.4.4 of the *Agreement between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in right of Canada* (Nunavut Agreement) and section 87 of the *Nunavut Planning and Project Assessment Act* (NuPPAA), the NIRB commenced screening this project proposal and assigned it file number 17QN056.

Following the assessment of all material information provided, the NIRB is recommending that a review of Nunavut Excavating's "Cambridge Bay Material Extraction and Quarrying" project is not required pursuant to paragraph 92(1)(a) of the NuPPAA.

Pursuant to its discretion under paragraph 92(2)(a) of the NuPPAA, the NIRB has determined that specific terms and conditions are appropriate for this project.

Accordingly, the NIRB is issuing the attached Screening Decision Report dated August 16, 2017 to the responsible Minister. The Screening Decision Report provides, among other things, the regulatory framework, project overview and the NIRB's assessment process, factors relevant for the determining significance of impacts and recommended project-specific terms and conditions.

Please note that the project proposal will not be enclosed due to the size of the electronic document and the limited bandwidth. However, an electronic copy of the project proposal is accessible online from the NIRB's online public registry at www.nirb.ca by using any of the following search criteria:

- Project Name: Cambridge Bay Material Extraction and Quarrying
- NIRB File No.: 17QN056
- Application No.: 125142

We look forward to receiving a response from the responsible Minister and the NIRB remains available for consultation with the Minister regarding this report as necessary. If you have any questions or require clarification, please do not hesitate to contact the NIRB's Director, Technical Services, Tara Arko at (867) 983-4611 or tarko@nirb.ca.

Sincerely,

Elizabeth Copland, Chairperson
Nunavut Impact Review Board
