Executive Director
Nunavut Impact Review Board
PO Box 1360
CAMBRIDGE BAY NU X0B 0C0

Dear Mr. Barry:

This is in response to your letter of August 2, 2017, addressed to the Honourable Carolyn Bennett, requesting additional time for the Nunavut Impact Review Board to complete the screening decision with respect to Transition Metals Corporation's "Arcadia Bay Property" Project Proposal, Kitikmeot Region, Nunavut (NIRB 17EN059 NPC 148574).

On the Minister's behalf, I am granting the Nunavut Impact Review Board permission to exercise this provision of the *Nunavut Planning and Project Assessment Act* and exceed the 45-day limit for the screening of this project. Under section 92(4) of the *Nunavut Planning and Project Assessment Act*, the period of time required for the screening of a project proposal by the Nunavut Impact Review Board may exceed 45 days with the approval of the Minister of Indigenous and Northern Affairs.

I recognize that this project proposal involves unique considerations making screening within 45 days impossible for the Nunavut Impact Review Board. I would like to thank the Nunavut Impact Review Board for its diligence in reviewing this proposal.
