Subject: NIRB 125210 / 17UN042: Notice of Screening and Comment Request for ARF's "CAT-TRAIN" Project Proposal

Dear Adrian Schimnowski:

Please see the attached correspondence from the Nunavut Impact Review Board (NIRB) regarding Arctic Research Foundation's (ARF) "CAT-TRAIN: Canadian Arctic Tidal Transect Research and Infrastructure Network" project proposal.

NIRB File No.: 17UN042
Project Name: CAT-TRAIN: Canadian Arctic Tidal Transect Research and Infrastructure Network
Project Proponent: Arctic Research Foundation
Project Type: Research
Location: Kitikmeot Region
Comments Requested by: February 19, 2018

The NIRB is copying parties potentially affected by this project and we invite interested persons to comment

directly to the NIRB regarding:

- ♣ Whether the project proposal is likely to arouse significant public concern; and if so, why;
- ♣ Whether the project proposal is likely to cause significant adverse eco-systemic or socio-economic effects; and if so, why;
- ♣ Whether the project proposal is likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities; if so, why;
- ♣ Whether the project proposal is of a type where the potential adverse effects are highly predictable and mitigable with known technology, (please provide any recommended mitigation measures); and
- ♣ Any matter of importance to the Party related to the project proposal.

You can submit comments to the NIRB by our on line public registry at www.nirb.ca or via e-mail at info@nirb.ca or via fax to 867-983-2594.

All documents received and pertaining to this project proposal can be obtained from the NIRB's online public registry at www.nirb.ca by using any of the following search criteria:

- ♣ Project Name: CAT-TRAIN: Canadian Arctic Tidal Transect Research and Infrastructure Network (2018-2020)
- ♣ NIRB File No.: 17UN042
- ♣ Application No.: 125210

The NIRB has attached a Public Notice of Screening in English and Inuinnaqtun for interested parties and Municipalities to post on local bulletin boards within your community.

If you have any questions or concerns, feel free to contact Shanley Thompson, Technical Advisor II directly at 867-983-4607 or sthompson@nirb.ca.

Best regards,

Jenny Klengenberg
