

NOTICE OF SCREENING OPPORTUNITY FOR PUBLIC COMMENT

NIRB File No.: 17XN070

Project Name: The “**Iqaluit Bulk Fuel Storage Tank Farm Upgrade**” project
Proponent Name: Qulliq Energy Corporation’s (QEC)
Project Type: Infrastructure Region: South Baffin Region
Public Registry: www.nirb.ca Application No.: 125250
Comment Deadline: **February 21, 2018**

PROJECT SCOPE:

The proposed “Iqaluit Power Plant Bulk Fuel Storage Upgrade” project is located within the Qikiqtani (South Baffin) region, within the municipal boundaries of Iqaluit. The Proponent intends to make upgrades to the existing Iqaluit Bulk Storage Tank Farm associated with the City’s main power plant to increase diesel fuel storage capacity. The construction program is proposed from May 2018 to August 2019. The scope of this proposed project as identified by the NIRB includes the following undertakings, works or activities:

- Expand and upgrade existing tank farm facility
- Construction and installation of a new 5,700,000 litres (L) tank
- Conduct hydrostatic testing on tank #2 to ensure soundness of all welds and joints
- Use of heavy equipment (excavator and crane) to undertake civil and electrical works

Please visit the NIRB’s public registry online at the link above and look up NIRB File No.: 17XN070 to access all project information, maps, and public comment forms.

REQUEST FOR COMMENTS

You are invited to provide the NIRB with your comments regarding whether the proposed project is:

- likely to arouse significant public concern and, if so, why;
- likely to cause significant adverse ecosystemic or socio-economic effects and, if so, why;
- likely to cause significant adverse impacts on wildlife habitat or Inuit harvest activities and, if so, why;
- a type where the potential adverse effects are highly predictable and can be prevented/managed appropriately with known technology.

Parties are also invited to recommend any specific mitigation measures they feel would be appropriate, and to bring any other matter of importance related to this project proposal to the NIRB’s attention.

CONTACT INFORMATION

The NIRB has recently launched an updated online public registry, and parties can access project information as well as submit comments directly to the NIRB via www.nirb.ca. Comments can still be submitted directly to the NIRB via email at info@nirb.ca or via fax to (867) 983-2594.

If you have any questions or require clarification regarding the proposed project or the NIRB’s screening process, please contact Shanley Thompson, Technical Advisor II, toll-free at 1-866-233-3033 or sthompson@nirb.ca.
