Re: **Notice of Screening for the Environment and Climate Change Canada (ECCC)'s "Amended Land Use Permit Application for Eureka Weather Station" Project Proposal**

Dear Ms. Granchinho,

On April 03, 2018, the Nunavut Impact Review Board (NIRB) invited parties to comment on the Environment and Climate Change Canada (ECCC)'s "Amended Land Use Permit Application for Eureka Weather Station" project proposal. Indigenous and Northern Affairs Canada (INAC) has reviewed the project proposal and related documents, and has no comments or additional terms and conditions to offer at this time pertaining to NIRB's request.

INAC appreciates the opportunity to provide comments and looks forward to working with NIRB and the Proponent throughout any further review phases related to this project. Should you have any questions, please contact Amal Roy at (867) 975-4554 or by e-mail at amal.roy@canada.ca.

Sincerely,
