Re: Request for Extension to Respond to Comments Received May 22, 2018

Dear Solomon,

Baffinland Iron Mines Corporation (Baffinland) is requesting an extension to respond to the Nunavut Impact Review Board (NIRB) regarding comments received on the Ege Bay Exploration Program project proposal. Specifically, Baffinland is responding to the NIRB letter dated June 8, 2018 entitled: "Opportunity to Address Comments Received Regarding Baffinland Iron Mine Corporation's "Ege Bay Exploration Program" project proposal and the associated comments received from the following interested parties:

- Qikiqtani Inuit Association (QIA)
- Government of Nunavut (GN)
- Environment and Climate Change Canada (ECCC)
- Fisheries and Oceans Canada (DFO)
- Indigenous and Northern Affairs Canada (INAC)

Given the detail of some of the comments, Baffinland is requesting an extension until July 3, 2018 to complete our response.

Sincerely,

A handwritten signature in cursive script that reads "Megan Lord-Hoyle".
