Hi Keith,

I'd like to confirm that we do expect to re-engage the assessment process for the Arviat Wind Project. The major delay in this is associated with the release of the utility's Independent Power Producer program which is now expected in Spring 2022. The timeline for the Arviat Wind Project unfortunately cannot be confirmed until this program is released. Would it be possible to have a call in the coming weeks to discuss the next steps of the process and clarify what the April 10, 2022 deadline means?

Kind regards,
Shivani

Shivani Chotalia, P.Eng. (she/her)

Subject: NIRB 125404/18UN044: Suspended Assessment and Request for Notification of Intended Re-Engagement

Dear Steve England;

This email is a follow up to the Suspension of Assessment of Activities issued by the Nunavut Impact Review Board (NIRB or Board) dated, September 20, 2021 for the Hamlet of Arviat's "Arviat Wind Energy Project" proposal (NIRB: 18UN044; NPC: 148907).

The NIRB requests that the Hamlet of Arviat provide an update to confirm whether the company expects to re-engage the assessment process for the "Arviat Wind Energy Project" proposal and if so, when can the NIRB expect the material be submitted? Please send the update to info@nirb.ca and to Keith Morrison, Manager of Impact Assessment at kmorrison@nirb.ca.

Should you wish to resume the assessment in the future, a written request must be filed directly

with the ourselves the Nunavut Impact Review Board (NIRB) and we would then commence screening of the project proposal.

Please note that if such a written request has not been filed by April 10, 2022 the assessment of the project will be terminated as per section 143(4) of the *Nunavut Planning and Project Assessment Act (NuPPAA)*. You would then have to re-apply through the Nunavut Planning Commission (Commission).

If you have any questions or require clarification on the NIRB Process, please contact Keith Morrison, directly at (867) 857-4617 or by email at kmorrison@nirb.ca.

Best regards,

Cassel Kapolak
