

The NPC has determined that the above-noted project proposal is significant modified to the original project because of the inclusion of a hydrocarbon landfarm.

The above-noted project proposals require screening by the NIRB under section 12.4.3 of the Nunavut Agreement as amended because of the addition of a component or activity that was not part of the original proposals and their inclusion is a significant modification of the project. By way of this letter, the NPC is forwarding the project proposal with this determination to the NIRB for screening. Project materials are available at the following addresses:
