Hello Talia,

I appreciate your time on my proposed project. The dates we plan to visit Prince Leopold and Coburg as stated in the summaries are August 2-4, 2019. The time it takes to fly over and visit, would be one day at each location.

As for the English and Inuktitut summaries not matching could you be more specific? I sent my english document to a translator and payed to get it translated. I do not speak or write Inuktitut and would not be able to cofirm if they match or not.

Thanks,

Nansen

Good morning Nansen,

I am the Junior Technical Advisor assigned to review your proposed project "Prince Leopold Island Migratory Bird Sanctuary Permit & Nirjutiqarvik NWA wildlife viewing permit" and have a couple clarification questions.

Can you please clarify the dates that you propose to carry out the activities?

Your non-technical summaries on the Public Registry in English and French do not match the Inuktitut translations. Can you explain why.
