Dear Ms. Otokiak,

**Re: Notice of Screening for the McGill University's "Evaluation of Natural Bioremediation Potential of Arctic Beaches" Project Proposal**

On June 3, 2019, the Nunavut Impact Review Board (NIRB) invited parties to comment on McGill University's "Evaluation of Natural Bioremediation Potential of Arctic Beaches" Project Proposal. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) reviewed the project proposal and the proposed project specific terms and conditions (Notice of Minor Screening and Comment Request – Appendix A).

Based on inclusion of the proposed project specific terms and conditions CIRNAC has no further comments, or additional terms and conditions to recommend at this time.

CIRNAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the proponent, as necessary, throughout any further review of this project. If you have any questions, please contact Krista Pooley at (867) 975-4741, or by e-mail at [krista.pooley@canada.ca](mailto:krista.pooley@canada.ca).

Sincerely,
