Re: Agnico Eagle's Notice of NPC Modification Withdrawal

Dear Ms. Klaassen,

Agnico Eagle Mines Limited (Agnico Eagle) is writing to provide the Nunavut Impact Review Board (NIRB) with formal notification with respect to the modification sent to the Nunavut Planning Commission (NPC) on December 8, 2023, in particular the temporary tailings storage pad at Meliadine Mine. Agnico Eagle is not moving forward with that aspect of the application at this time and requests the NIRB to close the file.

For clarity, the Itivia Fuel Farm portion of the December 8, 2023 submission was approved by the NPC and did not require NIRB approval. This portion proceeded to the Nunavut Water Board who have approved the modification.

Should you have additional questions or need further clarification, please contact the undersigned.
