Good morning Danny Zita,

My name is Mia Otokiak and I am the Junior Technical Advisor assigned to your NIRB Screening File Number 21QN041.

I have a clarification question: when is the start date for this proposed project? There is no indication in the Non-Technical Summary and in the NIRB Application it is noted that the operation phase started on August 24, 2021. Please clarify.

If you have any questions or concerns, please feel free to email me here or call me directly at (867) 983-4622.

Please be advised to cc [info@nirb.ca](mailto:info@nirb.ca) in all future correspondence.

Best regards,
