Dear Shirley:

Hamlet Council reviewed your submitted information during their meeting on February 8<sup>th</sup> and passed motion #02282022 fully supporting the proposed research project to explore the possibility of a sustainable harvest of geese in this area and to explore the viability of a market for the products.

Hamlet Council looks forward to learning more about this project as it moves forward

Thanks for the efforts, Aqqiumavvik Society has already put into this project

Regards,
