Re: Video of the Meliadine Gold Mine Project Presented by Agnico Eagle during the NIRB's March 6-9, 2023, Community Information Sessions

On March 6-10, 2023, the Nunavut Impact Review Board (NIRB or Board) held Community Information Sessions in Northern Saskatchewan and Northern Manitoba as part of the NIRB's assessment of Agnico Eagle Mines Limited's (Agnico Eagle) "Meliadine Extension" Project Proposal (Extension Proposal). In assisting the NIRB to present the Extension Proposal to community members Agnico Eagle included a video of the Meliadine Gold Mine Project.

Due to the size of the video, it is unable to be hosted on the NIRB Public Registry. Interested parties or members of the public are requested to contact the NIRB for access. Please contact NIRB administrative staff via email at info@nirb.ca or toll free at 1-866-233-3033.

Currently, the video can also be viewed on Agnico Eagle's website at:
