TECHNICAL COMMENT #1

ህጽናት የሰጠ ራስ #1

We asked Agnico Eagle Mines to determine whether the waterways crossed by the northern access road could be used by boats (navigated).

This will help us determine if the *Canadian Navigable Waters Act* applies to this crossing.

TECHNICAL COMMENT #2

ע"טב' נט לור #2

We asked Agnico Eagle Mines to get a Governor in Council exemption before dewatering or infilling any bodies of water.
