Good morning,

Thank you for your invitation to provide comments on the finalization of Project Certificate 007, Amendment 1 for the Back River Project.

Regarding the July 10 request from the Board to identify any terms and conditions under which the Government of Nunavut (GN) would be identified as a regulator, the GN is not recommending any changes at this time.

Regarding the request to indicate a preference for written comments or a teleconference workshop, the GN would prefer to participate in a teleconference to discuss the changes to the terms and conditions.

Please feel free to get in touch if you have any questions about this response.

Much appreciated,

Justin Buller
