To the Nunavut Impact Review Board:

My name is Matthew Ammag.

I support Baffinland's Sustaining Operations Proposal.

Working at the mine is very important to me because:

It provides a means of income for me
and family, because my family needs to
be taken care of. Not only at home, but
here at Baffinland Mine as well. It also
provides a safe place for people to go,
for it being a non-violent environment, Considering
some people may not have that safe place
to go to.

My name is Greg Blaguiere.

I support Baffinland's Sustaining Operations Proposal.

Working at the mine is very important to me because:

It has allowed me to make changes in my life for both me & my wife. I have spent the last 30 years taking care of everyone else and most of those years self employed. I am now looking or we are now looking forward to a new chapter with new challenges and dreams.

I really enjoy the work the people and I am falling in love with the land. I look forward to each day at work as I do when I am not at work. For me it is the being able to focus on work while here and the focus I can now put on myself & my wife when I am
