Re: Sustaining Operations Proposal Community Roundtable Participation Request

We are writing this letter because we would like to participate as official participants at the Nunavut Impact Review Board Community Roundtable regarding Baffinland's Sustaining Operations Proposal, which is scheduled in Iqaluit on July 27-29, 2023.

Please let us know what we need to do to receive official participant status and support to prepare for this meeting.

Qujannamiik,

Qarjuk Elders Committee
