**Re: Notice of Screening and Comment request for Northern Energy Capital's "Mobile Wind Resource Assessment" Project Proposal**

Dear Robby Qammaniq,

On February 28, 2023, the Nunavut Impact Review Board (NIRB) invited parties to comment on Northern Energy Capital's "Mobile Wind Resource Assessment" project proposal. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) appreciates the opportunity to provide comments and offers the responses below as it pertains to the NIRB's request:

**Any matter of importance to the Party related to the project proposal.**

**CIRNAC #1: Consultation with Interested Parties**

CIRNAC recommends that the Proponent continue to consult with the Hamlet of Chesterfield Inlet, and the Aqigiq Hunters and Trappers Association. Issues that should be considered as part of any consultation activities should include:

- Incorporation of Inuit knowledge and Inuit Qaujimajatuqangit into project activities;
- Mitigation measures designed to prevent any disturbance to wildlife and the environment;
- The experience of community members who participate in traditional and non-traditional activities within or in close proximity to the project area;
- Training and employment opportunities for community members;
- Procurement opportunities for local businesses; and
- Regular updates on the status of project activities.

CIRNAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Proponent throughout any further phases related to this project. Should you have any questions, please contact Richard Bingley by e-mail at [richard.bingley2@rcaanc-cirnac.gc.ca](mailto:richard.bingley2@rcaanc-cirnac.gc.ca).

Sincerely,

Felexce Ngwa  
Manager, Impact Assessment
