QIA	Samuel Robb	Joel Fortier	2023-12-12	Email	Joel reached out in response to outreach presentation looking for more details on the work done the previous summer. Offer to discuss future plans directly with him and if we need access to IOL	Reach out to Joel to discuss anything about our activities and if we need to access IOL in the future.
QIA	Samuel Robb	Joel Fortier	2024-01-04	Email	Joel reached out asking for us to submit a land use application via the QIA web portal. Clarified that 2024 work program would not require IOL ground access.	Further discussion with Joel/QIA about requirement for a land use permit to conduct low-altitude airborne surveys. Follow up video call scheduled for Thursday January 18.
QIA	Samuel Robb (Bronzite); Dustin Chaffee, Jim Millard (Ausenco)	Joel Fortier	2024-01-18	Video call	Discussion of field program, particularly low-altitude flights and their potential impact on local hunters in the area. Confirmed with Joel that we do not intend on accessing IOL and our activities will be restricted to low altitude flights. Joel suggested to reach out to the Resolute HTO to discuss concerns and suggestions they might have regarding the airborne surveys	Draft letter and reach out to Resolute HTO for discussion on low altitude flight impacts.

Resolute HTO	Samuel Robb	Resolute HTO	2024-01-31	Email	Outreach letter to the Resolute Bay hunters and trappers organization at the suggestion of Joel Fortier from the QIA. Outreach includes another introduction and a list of questions (translated into Inuktitut) relating to the potential impacts and concerns hunters may have on our planned operations for 2024.	Requested a meeting with the HTO and their responses to the list of provided questions.
KitlA	Samuel Robb	Tannis Bolt	2024-01-31	Email	Follow up from previous outreach email on 2023-12-11 with our outreach presentation translated to both Inuktitut and Inuinnaqtun. Made another meeting request to discuss field plans, potential impacts, and community responses.	No response from previous outreach, made another request for discussion.
