Dear Lisa Pirie, , Natalie D'Souza, Luis Manzo, Cassel Kapolak, and Alex Fredin:

RE: NPC File # 150825 [Waterfowl Egg Collection for Education]

The following works and activities have been proposed in the above-noted project proposal:

1. Scientific Research: Renewal application to carry out the project that was postponed for logistical reasons. Project activities include Egg Collection of Common Eider (*Somateria mollissima*), King Eider (*Somateria spectabilis*), Red Breasted Merganser (*Mergus serrator*), Long-tailed Ducks (*Clangula hyemalis*), and Brant Goose (Atlantic) (*Branta bernicla hrota*) for the purposes of education through aviculture in the Coral Harbour, Nunavut Region.
2. Related NPC FILE No: 150211, Associated NIRB File No: 24UN004.
3. Location: Kivalliq Region; [Coral Harbour and surrounding areas]

A complete description of the project proposal reviewed by the NPC can be accessed online using the link below.

The Nunavut Planning Commission (NPC) has completed its review of the above-noted project proposal. The activities associated with this proposal were previously reviewed by NPC, and a conformity determination was issued on January 26, 2024, which still applies. In addition, the activities were previously screened by the Nunavut Impact Review Board (NIRB FILE NO.: 24UN004).

By way of this letter, the NPC is forwarding the project proposal to the regulatory authorities identified by the proponent. Project materials, including the applicable conformity requirements, are available at the following address:

<https://lupit.nunavut.ca/portal/registry/registry.aspx?appid=150825> .

The regulatory authorities to which this letter is addressed are responsible under the *Nunavut Planning and Project Assessment Act (NuPPAA)* to implement any of the applicable requirements by incorporating the requirements directly, or otherwise ensuring that they must be met, in the terms and conditions of any authorizations issued.

This conformity determination applies only to the above-noted project proposal as submitted. Proponents may not carry out projects and regulatory authorities may not issue licenses, permits and other authorizations in respect of projects if a review by the NPC is required. Regulatory authorities may consult with the NPC to obtain recommendations on their duties to implement the existing land use plans prior to issuing licenses, permits and other authorizations under subsection 69(6) of the *NuPPAA*.

My office would be pleased to discuss how best to implement the applicable requirements and to review any draft authorizations that regulatory authorities wish to provide for that purpose. If you have any questions, please do not hesitate to contact me at (867) 979-3444.

Sincerely,

A handwritten signature in black ink, appearing to read 'Goump Djalogue'.
