My apologies, I had miss understood from our team. There was no site assessment completed last season. There will be one this summer, as our Ecologist Team Leader will be in the camp do make the assessment. The Project description was attached and titled as "2024-2026 QANP Dundee Camp Project Description"

My name is Kelli Gillard and I am assigned to your file as your File Manager. I am currently conducting a completeness check on your application and I have a question for you due to a part of your application that I have copied and pasted below.

Thank you and have a great day.

Kel
