Good afternoon, Amelie,

My name is Mia Otokiak, and I am the Impact Assessment Officer assigned to your NIRB Screening file, numbered: 24YN026.

After reviewing your project materials, I just have a couple clarification questions:

- Have you received any more support letters from the other Nunavut HTO's? And are there any HTO's that have denied support for this project?

We will also be sending the application back to you, asking you to add in a couple more things to the application, before opening it for screening. You will receive a notification sometime this afternoon with the items we would like you to add, and then you'll have access to your application to add them in.

Please be sure to cc [info@nirb.ca](mailto:info@nirb.ca) in all future correspondence.

Thank you for your time.

Best regards,

*Mia Otokiak*
