Re: Notice of Screening for Government of Nunavut’s “Estimating the abundance of the Foxe Basin polar bear subpopulation” project proposal

Mia Beattie,

The Government of Nunavut (GN) would like to thank the Nunavut Impact Review Board (NIRB) for the opportunity to provide comments regarding the GN's "Estimating the abundance of the Foxe Basin polar bear subpopulation" project proposal, NIRB File # 24YN026.

The GN has reviewed the proposed project and related documents and has no comments or concerns to raise with the Board at this time.

The GN appreciates participating in the screening of this project through the NIRB process. Should there be any concerns or need for follow-up, please feel free to contact me at jbuller@gov.nu.ca.

Qujannamiik,

Justin Buller
