The Government of Nunavut (GN) would like to thank the Nunavut Impact Review Board (NIRB) for the opportunity to provide comments regarding Oregon State University's (OSU) "Early Career Training Cruise" project proposal, NIRB File # 24YN020.

The GN has reviewed the proposed project and related documents and has no comments or concerns to raise with the Board at this time.

The GN appreciates participating in the screening of this project through the NIRB process. Should there be any concerns or need for follow-up, please do not hesitate to contact me at jbuller@gov.nu.ca.
