**Re: Notice of Screening and Comment Request for Canadian Wildlife Service's "Nanuit Itillinga NWA and Seymour Island (Naujavaat) MBS Management Activities" Project Proposal**

Dear Keith Morrison,

On June 25, 2024, the Nunavut Impact Review Board (NIRB) invited parties to comment on Canadian Wildlife Service's "Nanuit Itillinga NWA and Seymour Island (Naujavaat) MBS Management Activities" project proposal. Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) has reviewed the project proposal and related documents, and has no comments (or additional terms and conditions) to offer at this time pertaining to the NIRB's request.

CIRNAC appreciates the opportunity to provide comments and looks forward to working with the NIRB and the Proponent on further projects. Should you have any questions, please contact Courtney White by e-mail at [courtney.white@rcaanc-cirnac.gc.ca](mailto:courtney.white@rcaanc-cirnac.gc.ca).

Sincerely,

Richard Bingley  
A/Manager, Impact Assessment
