**Re: Notice of Release of Screening Decision Report for University of Turku's
"ISOLATED: Impact of Stability on Plasticity and Adaptation Potential of Diatoms"
Project Proposal, Qikiqtani and Kitikmeot Region's**

Dear Administrators:

Enclosed is the Nunavut Impact Review Board's (NIRB or Board) Screening Decision Report to the Honourable Minister Diane Lebovitch, P.C., Minister of Fisheries and Oceans and the Canadian Coast Guard for University of Turku's "ISOLATED: Impact of Stability on Plasticity and Adaptation Potential of Diatoms" in the Qikiqtani and Kitikmeot Regions, dated August 28, 2024.

The NIRB has assessed this project proposal for ecosystemic and socio-economic impacts taking into consideration the comments from relevant authorities and communities. Based on this assessment, the Board has indicated to the responsible Minister that **a review of the project is not required** in accordance with s. 92(1)(a) of the *Nunavut Planning and Project Assessment Act*, S.C. 2013, c. 14, s. 2 (*NuPPAA*). Accordingly, the NIRB awaits a response from the Minister.

In the absence of a response from the Minister, regulatory authorities should take note of s. 75(1)(e) of the *NuPPAA*, which provides: "A regulatory authority is not authorized to issue a licence, permit or other authorization in respect of a project if the responsible Minister has decided either that the project could be modified and an amended project submitted to the Commission or that it is not to proceed." Contravention of s. 75(1) of the *NuPPAA* will render a licence, permit or other authorization issued of no force or effect.

Please contact the undersigned at (867) 983-4605 or info@nirb.ca if you have any questions or require additional clarification.

Sincerely,

Cassel Kapolak
Manager, Public Registry
Nunavut Impact Review Board
