Dear Cassel Kapolak:

**Response to Grays Bay Road and Port Project – Draft Process Map (24XN038)**

The Government of the Northwest Territories (GNWT) has reviewed Nunavut Impact Review Board's (NIRB) draft process map for the assessment of the Grays Bay Road and Port Project. The GNWT is supportive of NIRB's proposal to hold scoping meetings in the Northwest Territories, in addition to Nunavut communities. The GNWT has no other comments or recommendations for NIRB at this time.

The GNWT looks forward to participating in the next phases of NIRB's assessment.
