RE: Commencement of the NIRB's Review of West Kitikmeot Resource Corp.'s "Grays Bay Road and Port" Project Proposal – request for Party comments on draft process map

Dear Nunavut Impact Review Board.

The Athabasca Denesuline Néné Land Corporation (ADNLC) represents the three Denesuline First Nations of Fond-du-Lac, Black Lake, and Hatchet Lake. We have reviewed the draft process map and note that there are plans to have community scoping sessions in the Kitikmeot Region and Northwest Territories, but no plans to have these sessions in Northern Saskatchewan.

We recommend that NIRB include a session in one of our communities to ensure that Athabasca Denesuline are able to participate in this important step of the process.

We look forward to working with NIRB staff to discuss planning a session in our region. Please follow up with Katie Rasmussen, katiebeth.rasmussen@gmail.com, to discuss next steps.

Sincerely,

Ron Robillard,
Chief Negotiator, Athabasca Denesuline Néné Land Corporation (ADNLC):
